

NCCR TransCure master lecture "Transporter Biology and Chemistry"

The lectures will take place Tuesdays from 17:15 - 19:00 (short break between 18.00 and 18.15) at the University of Bern, Freiestrasse 3, Department of Chemistry and Biochemistry (DCB)

Program, Fall semester 2018/19 (17.09.2018 - 21.12.2018)

Week	Date (Tue)	Lecturer	Topic
1	18.09.2018	Sacha Javor	Chemistry of membrane transporters
2	25.09.2018		
3	02.10.2018	Daniel Fuster	SLC9 family transporters – sodium/proton exchangers
4	(09.10.2018)		
5	16.10.2018	Christiane Albrecht	Placental membrane transport
6	23.10.2018	Hassan Melhem	
7	30.10.2018	Roch-Philippe Charles	Membrane transporters and cancer
8	06.11.2018		
9	13.11.2018	Martin Lochner	Chemistry of membrane transporters
10	20.11.2018		
11	27.11.2018	Hugues Abriel	Physiology and pharmacology of ion channels
12	04.12.2018		
13	11.12.2018	Jean-Marc Jeckelmann	SLC7 amino acid transporters
14	18.12.2018	Hüseyin Ilgü
