NCCR TransCure Workshop given by KEPOS GmbH

Taking over leadership tasks – with or without formal authority

The participants will be made familiar with the major leadership techniques and acquaint themselves with basic leadership principles. They will realize how attitudes and behavior patterns influence the cooperation with others and get the opportunity to analyze various exemplary situations. Finally, the participants will get the chance to test themselves in a leadership role.

Number of participants is limited to 12.

IBMM Lecture room from 09.00 – 17.00
Including lunch and coffee breaks
