4th NCCR TransCure Career Pathway Lecture by Susan M. Gasser

Prof. Susan M. Gasser will give this year's
career pathway lecture.

She has a long record of [accomplishments](#) and
is currently the Director of ISREC Foundation,
Switzerland.

The following questions will be addressed:
What does it take to pursue an academic
career? What obstacles and traps may I face?
And how can I overcome setbacks?

Prof. Gasser's talk will be followed by a casual
business lunch, offering the opportunity to
discuss further with her and other attendees.
