

Virtual Symposium;  
Zoom

Thursday,  
November 25th, 2021  
at 13h55

Organized by:

Anna Borgström  
Barbara Preti  
Christine Peinelt

Institute of Biochemistry  
and Molecular Medicine,  
University of Bern

Everybody is welcome

# NCCR TransCure

## TRP-MiniSymposium

### A trip to the TRPs

#### Prof. Katharina Zimmermann

Head of Pain Research in the Anesthesia  
University of Erlangen

***Cold Pain in teeth: a Thermomechanical Sensation?***

#### Prof. Oscar Cerda

Director-Millennium Nucleus of Ion Channel-Associated Diseases  
University of Chile

***Exploring new mechanisms for TRPM4 regulation in cell  
migration***

#### Prof. Manuela Schmidt

Head of Division of Pharmacology and Toxicology  
University of Vienna

***TRP channels, their interactome, and mechanistic insights into  
chronic pain***
